Congregational Church Notes.

Services will be resumed in the Congregational church Sunday. The pastor will preach in the morning at the usual hour upon a practical and important theme and the choir will render some excellent music. All not worshipping elsewhere are cordially invited to join us in this service.

The Sunday school will meet at the close of morning worship. Lesson topic, "God's Care of Elijah." The study of this Old Testament story will be found exceedingly profitable and many truths full of inspiration for life today may be gleaned from it. We have classes already organized for all ages and we shall be glad to have all not attending elsewhere engage in studying these lessons with us.

The Sunday evening church service will be omitted until next month, when we hope to resume it along lines that will make it especially attractive and helpful to all.

The midweek meeting will be held next week on Wednesday evening as usual. It will be in the chapel at 7.30 o'clock. Further announcement will be made from the pulpit on Sunday.

Two new hymn boards have just been given to the church by Dr. and Mrs. Rowell. They are beautifully finished, quartered oak and harmonize perfectly with the organ and the interior finish. Spaces are arranged upon them for the day, responsive selection and hymns in clear good-sized letters and numbers that may be easily read the full length of the auditorium. The boards are placed one each side of the recess containing the organ and will be a great convenience and comfort to all who worship here. A new board registering attendance, collection, membership, and other items of interest has also been presented to the Sunday school. Hearty thanks are due these generous donors.
